

Tennessee Reproductive Medicine

Ringland S. Murray, MD
Jessica G. Scotchie, MD

SERVICE WORKER DISCOUNT

In recognition of the incredible service local police, fire and military members provide our community, Tennessee Reproductive Medicine has initiated special pricing in their honor. The discount applies to one of the most successful, yet costly treatments associated with building a family.

Single Cycle Standard In Vitro Fertilization (IVF) \$7700*

*Financing Options Available

Includes: trial transfer, nurse education class, cycle management fees, monitoring visits, egg retrieval, lab processing, assisted hatching, ICSI and transfer

Does not include: preliminary/diagnostic testing and early pregnancy monitoring (both usually covered by insurance), medications, anesthesia and any other additional expenses.
